

Consent to publication of photos and videos for TURTLE's PR and marketing purposes

Intended use:

TURTLE GmbH intends to publish photos or videos of you for PR and marketing purposes. The publication may be executed on the below listed media channels, stating first and last name and function on board:

- Website of TURTLE GmbH <https://www.go-turtle.com>
- LinkedIn
- Facebook
- Instagram
- YouTube
- company-owned-brochures
- Ads offline and online
- Third-party magazines offline and online

You can revoke your consent at any time for the future. You can send your revocation without giving reasons to: hello@go-turtle.com. Photos will then be removed from the website and other online publications. Video or print material will be used further in accordance with data protection law. In the next edition of the video or print work, only material will be used, that does not show you.

Consent:

I declare my consent to the use, duplication, dissemination, exhibition and public reproduction of the recordings relating to me and the use of my above-mentioned personal data for the purposes described above and for the **media channels listed above**. I transfer to TURTLE GmbH the rights to my own image, including the right to use these recordings for the above-mentioned purposes.

This consent includes an unrestricted publication of the recordings and data on the above mentioned channels. I do not derive any rights (e.g. remuneration) from the consent to the publication of the recordings.

I am aware that recordings and personal data published online are accessible worldwide, including in countries with a low level of data protection. Further dissemination and use by unauthorised third parties can therefore not be ruled out. In the event that consent is withdrawn, complete deletion of the recordings and data from the internet cannot therefore be guaranteed.

I have noted that consent is voluntary and that I may revoke this consent at any time. Not providing consent or withdrawing consent will have no consequences on your registration with TURTLE.
